PROXIMITY DATA CENTRES

EDGE 1
NOTTINGHAM

With our Nottingham data centre you can find secure edge data hosting delivering fast connectivity and low transit costs for the East Midlands.

Our Nottingham data centre is situated just four miles from Nottingham city centre and only 15 miles from East Midlands Airport making it easily accessible by road, rail and air. The centre offers secure colocation services and business recovery facilities.

All of our data centres come with simple contracting, and full, UK-based support, transition and onboarding to make sure your data operations keep running smoothly.
