

## PROXIMITY DATA CENTRES

---

# EDGE 1 NOTTINGHAM

---

**Proximity operates a rapidly growing network of regional edge data centres which allow clients to locate their data services close to local markets.**

All of our data centres come with simple contracting and full UK-based support, transition services and onboarding to make sure your data operations keep running smoothly.

Our Nottingham data centre delivers secure edge data hosting with fast connectivity, low latency and reduced transit costs for the East Midlands.

The data centre is situated just four miles from Nottingham city centre and only 15 miles from East Midlands Airport making it easily accessible by road, rail and air. The centre offers secure business recovery services as well as colocation.

**Please contact us to arrange a tour**
